WILL YOU GIVE \$20/MO TO FIGHT FATHERLESSNESS?

WHAT WE ARE DOING

As a part of our **E^6 Strategies**, Man Up and Go has **Engaged** over 8,000 fatherless children around the globe since 2011. Feeding and **Educating** these children is a top priority for us as we **Encourage** and partner with local leaders to make better futures for the fatherless.

We have also ministered to over 1,300 women in that time, **Empowering** many of them with much needed vocational training. Widows and single mothers are learning skills such as tailoring, hair dressing, and jewelry-making; much of their jewelry is now being sold in the marketplace.

Caring for these women and children has opened the door to our primary weapon against fatherlessness - **Equipping** men. Since 2013, over 3,000 men have attended a Man Up men's conference, which provides essential training on being the spiritual, emotional, and financial provider for the family.

Our goal is to reach 20,000 more families by 2020. By engaging the fatherless, empowering single mothers, equipping fathers to lead, and **Energizing** the Church, we believe we can win the fight against fatherlessness.

HOW YOU CAN HELP

Our research shows it takes roughly \$20 to impact one family. **Your gift of \$20/mo will help us reach 20,000 families by 2020.**
